Birthday Party Themes

BIRTHDAY SAFARI

You get to choose three live animals for you and your guests to see at this party! Hear a story while you interact with the presenter and the animals. The birthday child may choose one animal from each category listed below:

Birds: hawk, screech or barred owl

Mammals: mouse, rabbit, ferret

Creepy/Crawlies: spider, snake, turtle, salamander, toad or hissing cockroach

We will need to know the animal choices one week prior to the date of the party.

ENCHANTED FOREST

The Woodland Fairy will wave her magic wand and fun will appear with three live animals, games, and an interactive story with the birthday child and guests. The animals are already chosen for this program to go along with the Woodland Fairy's story. If possible, we'd like to keep the animals a surprise to the birthday child and guests.

A screech owl, toad and rabbit will be presented.

MAGICAL PARTY

The Wacky Wildlife Wizard will use a magical box to astonish your birthday child and guests! To help us with the "magical"

surprise we ask that the parents choose animals from each category listed below and keep them a surprise for the children:

1 Large: rabbit, ferret, screech owl

2 Small: snake, salamander, toad, spider, cockroach, mouse

Wacky Wizard costume is optional for the Park Naturalist. We will dress in costume unless you tell us otherwise.

(animals need to be a surprise to the birthday child & guests)

SNAKE CELEBRATION

Thrill your guests with a slithery surprise! This party includes three live snakes along with

interactive fun and facts about these often misunderstood critters. We never know who will be shedding their skin or which snakes will be out at another program so our staff will have to choose the snakes for your program.

Snakes may only be handled by staff of Ernie Miller Nature Center.

We reserve the right to not use an animal due to its behavior or medical condition.
